

MODEL 625 REEL

For Long, Heavy Gauge Cords

This type of reel allows you to have cord in long lengths and handle them with ease. With heavy cord you have less line voltage loss and have plenty of power to operate heavy electrical equipment.

- Red Finish
- Overall Height 20"
- Heavy 18 Gauge Steel Construction
- Totally Enclosed Collector, 30 Ampere Rating
- Furnished with 10 ft. Pigtail
- Shipping Weight: 18 lbs.
